# TOP-QUALITY TECHNICAL SUBCONTRACTOR IN INDUSTRIAL SERVICES

With more than 300 skilled and experienced technicians, Eryk is ready to take care of your project anywhere in the world. We have over 20 years of experience with mechanical assembly, electrical installation, service & maintenance in areas such as:

- processing industry, intralogistics, fulfilment centres, warehousing, food & beverage production, automotive industry, data centres, pharmaceuticals etc.
- construction industry,
- energy & renewables.

**Nico Schilder**  
Installation Manager

*"The communication with Eryk throughout the entire project was very good. We were impressed by the technicians' exceptional quality of work on the project, particularly their ability to address and resolve on-site challenges."*

**Jette Bjerrum**  
Consul General  
Royal Danish Consulate  
General, Lagos

*"The Consulate General of Denmark supports Eryk's ambitions and goals regarding remote IT services. These goals are totally in-line with the Danish goals for creating sustainable business and sustainable development."*

# YOUR #1 PARTNER FOR REMOTE IT SERVICES

Our talented Nigerian software engineers are ready to join your team remotely. We excel in:

- software development,
- programming,
- web development,
- cybersecurity,

just to mention a few.

Our IT specialists undergo rigorous evaluation to ensure a perfect match for your business.

# VALUE ADDED TO YOUR BUSINESS

As a technical service provider, Eryk's main focus is bringing value to our customers. You can count on us with regard to:

- quality,
- flexibility,
- cost optimisation,
- mobility,
- H&S standards,
- and the efficiency of our qualified workforce.

With Eryk, you can easily adjust your installation or IT project capacity while staying focused on your core business—no matter where you are located.

**We're here to make your project a success!**

## MEMBERSHIPS

## AWARDS

Initiativ pris **24**

# SUSTAINABLE BUSINESS

We believe in conducting business in a manner which contributes to sustainable growth whilst demonstrating a high degree of social responsibility. We believe that this approach creates a source of competitive advantage for our business and its stakeholders.

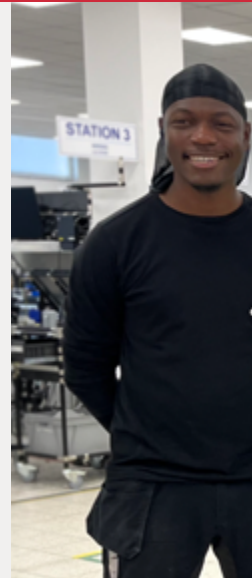

Our priorities:

- remain a reliable partner for all our stakeholders and keep promises under changeable circumstances,
- provide our employees with support, stability, development opportunities and safety

*Our aim is to make our customers' business more successful by offering scalable solutions, available worldwide, whenever needed.*

Jens-Chr. Moller  
President of Eryk

# ELECTRO-TALENTS

We are proud to offer a well-established and reliable recruitment channel, providing your facility with motivated young electricians who are ready to contribute effectively. Thanks to our partnership model, we can offer highly competitive rates along with flexible arrangements that benefit both parties.

HJ@eryk.com

**elcor.**

**Maciej Lukaszewicz**  
General Manager /  
Switchboards & Process  
Automation

*"We have used Eryk's young electricians in our production for quite a while now. We are very happy with the young people who are clever and motivated."*

**ABB**

**Jesper Fauerskov**  
Engineering Manager

*"With Eryk we are able to scale up and down, whenever it is needed and we have a stable collaboration partner we can rely on. They respect safety rules and are able to work alone on periodical checks of electrical switchboards as well as team up with our technicians."*

# ERYK AMBASSADORS

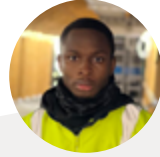

**Dominik Romasłowski**  
Team Leader

*"The work must be carried out in accordance with standards, but also meticulously and aesthetically... I can sign my name under every job I do."*

**Chizaram Obiakor,**  
Technical Project Manager  
Remote IT Services

*"I enjoy solving problems that bridge technology and business needs, finding satisfaction in driving innovation and bringing projects to life."*

**Samuel Omoroga**  
Apprentice

*"Seeing the positive impact my work has on the team inspires me to perform at my best."*
